FEATURED QUOTES

“

We aim to develop practical, mutually beneficial regional strategies, laying the foundation for strong partnerships. The Mongolian government is committed to rebuilding investor confidence and improving coordination among all stakeholders. We thank everyone for their support and look forward to growing this event and fostering lasting collaborations at MiningWeek & MinePro.

Amarsaikhan Sainbuyan

Member of Parliament, Deputy Prime Minister of Mongolia

“

International cooperation is key to building a responsible, competitive mining sector in Mongolia. Through sustainable goals, innovative tech, and collaboration among citizens, government, and businesses, the industry is growing. All stakeholders are encouraged to join MiningWeek & MinePro 2025 to work together for Mongolia's future development.

Damdinnyam Gongor

Member of Parliament, and Minister of Industry and Mineral Resources of Mongolia

“

This year, MiningWeek is expanding with the MinePro exhibition, addressing key issues like challenges in mining supply, the transition to green energy, and the strategic role of critical minerals. It will also focus on high-level decision-making, selecting globally competitive operators, and feature a roundtable with leading international mining associations.

Battengel Gotov

Chairman of Mongolian National Mining Association

“

Mining is not just the backbone of Mongolia's economy, it is the driving force behind the nation's prosperity. When Mining Week was cofounded with the Ministry of Mining and Heavy Industry, the vision was clear. To create a dynamic platform that addresses today's challenges while seizing tomorrow's opportunities.
